TOWN OF JAFFREY, N. H.
ANNUAL REPORT
Year ending December 31, 1972

JAFFREY, N. H., BICENTENNIAL CELEBRATION

1773-1973

BICENTENNIAL COMMEMORATIVE MEDAL

The town of Jaffrey was incorporated in 1773. Early in the century it had formed a large part of Rowley Canada. Then, after 1749, when a survey was made for the Masonian Proprietors, it was called Middle Monadnock. Upon incorporation, it was named for a member of Governor Wentworth's Council. It contained 303 residents, representing 40 families.

The face of the medal depicts the Jaffrey Meeting House and Monadnock Mountain. Always of prime concern was a provision for a house of worship. The building was raised on Bunker Hill Day, 1775. It still stands, on a hill in the center of the town, overlooking Mt. Monadnock. Originally it was a barnlike structure typical of the period. The bell tower with spire was erected in 1822.

On the back of the medal are figured the brick textile mill as it looked in its heyday (1880), the famous expert negro tanner, Amos Fortune, at his labors, and a Hannah Davis Bandbox. Amos was shipped from Africa as a slave, bought his freedom, and was one of the best educated men in town. Hannah Davis made her bandboxes from thin pliable strips of spruce, covered and lined them with wallpaper and newspapers, and sold them principally in mill towns of northern New England.

May 20, 1925 - Aug. 12, 1972

David R. Sawyer who died in 1972 at the age of 45, had lived in the Town of Jaffrey all his 45 years.

David was dedicated to the Town of Jaffrey. He was instrumental in the developing of the Jaffrey Municipal Airpark which grew from an open field to its present extensive area. Even though a hard-working businessman, David still found time to devote to civic duties, among which was serving as Town Moderator from March 1969, at which time he succeeded his uncle, Jason C. Sawyer, who had resigned because of ill health up to the time of his untimely demise.

David also served the Town in the capacity of School Moderator and as Chairman of the new Jaffrey-Rindge Cooperative District School Building Committee.

REPORT OF SELECTMEN

Telephone Service.

In accordance with the resolution adopted at the March 7, 1972 meeting, the New England Telephone and Telegraph Co. was contacted concerning the telephone service. The manager of the Keene Office met with the Selectmen and the complaints that had been received were resolved. The Selectmen received no further complaints and it is assumed that the service is satisfactory.

Jaffrey-Rindge Dump.

Some unofficial contacts only were made with the Rindge Selectmen relative the possibility of a common dump for the two towns. At this time no definite conclusions have been reached and no recommendations will be made. However, the study will continue.

Roads.

The Fitzwilliam Road was completed as a TRA project under the direction of Highway Agent Henry J. Belletete. Several streets were hot-topped at a cost of $17,000.00 with the use of State Highway Subsidy Funds.

Sewers.

The Jaffrey Center Interceptor was completed and recommended for acceptance by Camp, Dresser and McKee. The extension on Main Street was installed by the Town thus finishing the Highland Avenue sewer project.

As instructed by the vote of the Town, a feasibility study for Old Peterborough Road and Riverside Ridge sewer extension was made. The estimated cost for this project was placed at $250,000.00. Details of the project were published and are on file at the Town Office.

Based on information obtained from Camp, Dresser and McKee, the cost of extending sewers to Squantum Village was placed at $446,000.00.

The cost of extending to the cottages around Lake Contoocook was estimated at $807,000.00.

Steps have been taken to ascertain if any funds are available for these or any other projects based on contribution of 5% by the Town and 95% by the State and Federal Governments.

Public Works.

On April 1st, the duties of the Superintendent of Cemeteries were transferred to the Highway Department. It is estimated that the cost of maintaining the cemeteries was reduced by $5,500.00.

REPORT OF SELECTMEN

On May 1st the maintenance of the Town Office and Library lawns as well as the commons was taken over by the Highway Department. The cost of this operation was reduced by about $1,000.00.

From the above it would appear that the Selectmen were correct in recommending that the Town take steps toward adopting the concept of a Public Works Engineer. Furthermore, the Selectmen are recommending that the Water Commissioners be appointed by the Selectmen rather than elected in order that further consolidation may be made. It should be noted that this matter has been printed on the ballot, since the Selectmen were of the opinion that the question should be decided by as many voters as possible.

Respectfully submitted,

HOMER J. FORCIER
FRANCIS L. LaFRENIERE
ALFRED J. CHRISTIAN

18. Recognizing the desirability of achieving something of permanent, lasting value in connection with Jaffrey's Bicentennial Celebration this year--something which would add to the quality and enjoyment of life in Jaffrey--the Bicentennial Committee has been preparing plans for a "nature center", which would envision making use of existing land facilities: Children's Woods and the former Carey Park, both are located off Stratton Road, lying between the road and the Contoocook River.

TOWN MEETING WARRANT

Under the terms of Albert Annett's Will, who gave the 30 acres of Children's Woods to the Town of Jaffrey in 1936, the use of this tract is specifically stated: "I give to the town of Jaffrey, as an adjunct of its schools, the tract of land:.... to be held and maintained forever as a forest park or arboretum, for the cultivation and study of the trees, shrubs and flowers that are, or may be in the future, grown upon said tract."

As the tract is already covered in large part by a forest growth of desirable species, it is my thought that portions so forested may be largely left to Nature's husbandry ... And those portionsnow open may, as means and opportunity permit, be planted with species not now represented, with the purpose of making the tract eventually as far as practicable, a complete collection of the trees and desirable varieties of plant life of Central New England, leaving only such roads, paths, vistas and open spaces as may be necessary to make accessible its many natural and scenic attractions.

It is the hope of the Committee that Children's Woods would be made into the 'forest park' or arboretum envisioned by the town's benefactor, Albert Annett. Because of lack of attention over the past years, Children's Woods has become something of a jungle, overgrown and almost impassable. Work would be required to thin out sections, open up trails, locate plantings to make the tract representative of the 'trees and plant life of Central New England', provide vistas, paths, openings, etc.

The adjoining tract (known as Carey Park and of approximately 60 acres) was deeded to the Town this past summer by the former Jaffrey Outing Club. It is the hope of the Committee that this area be renamed "Bicentennial Woods", and that work would be done to put in place such land-use facilities as picnic tables, hiking paths, plantings and the like.

It is further hoped that partial funding for necessary work required to convert these two areas into an attractive "nature park" may be achieved by means of selective cutting. John Ferguson, Cheshire County Forester, has been most helpful in inspecting and reviewing the two tracts, and he shares in the belief that selective cutting can be accomplished without harm to the aesthetic and natural values of the land. Additional funding is expected from the Bicentennial Committee activities conducted during the course of this year.

It is further our request that authorization be granted to (1) doing selective cutting specified above, and (2) making use of town land as described above. (By Petition)

19. To see if the Town will vote to authorize the Selectmen to expend from the Capital Reserve Bicentennial Fund, an amount of money not in excess of the amount in the fund at the time of expenditure for expenses incurred by the Bicentennial Celebration, or act in any way relating thereto.

20. To see if the Town will vote to designate as SCENIC, Dublin Road from its intersection with Route #124 at Jaffrey

TOWN MEETING WARRANT

Center and extending to the Dublin, N.H., Town Line. (By Petition).

21. To see if the Town will vote to discontinue as an open highway subject to gates and bars, as provided in New Hampshire RSA 238:2, that portion of Sanders Road from the Old Peterborough Road north to the northern boundary of the property owned by Mary R. Jacoby, being the so-called Richmond Hill Farm.

22. Shall the Selectmen be authorized and committed to appoint Water Commissioners as vacancies occur, as provided for in Section 1, Chapter 265, N.H. Laws of 1901? (BY BALLOT)

23. To see if the Town will vote to rescind the vote taken under Article 24 of the March 7, 1972 Annual Town Meeting, and revert to electing the Road Agent by ballot, effective with the March Meeting of 1974. (By Petition) (BY BALLOT)

24. To see if the Town will vote to raise and appropriate a sum of money not to exceed $2,000.00 for the purpose of repairing the Viggo Brandt-Ericksen monument located in Conant Cemetery, or act in any way relating thereto.

25. To see if the Town will vote to raise and appropriate the sum of $100.00, said sum to be matched by State Funds to refurbish old roads and trails for the purpose of fire protection.

26. To see if the Town will vote to convey the interest of the Town retained in a nine hundred ninety-nine (999) year lease from Joseph Bates, Phinehas Spaulding and Roger Gilmore, Committee for the Town of Jaffrey to Samual Adams dated October 8, 1778 and recorded in the Cheshire County Registry of Deeds, Volume 17, Page 356, in real estate in Jaffrey Center now belonging to D. Glyn Millard and Phyllis Millard, Alice H. MacCready, Schuyler VanSantford and Agnes R. VanSantford, Richard E. Cunningham and Jane M. Cunningham, John D. Salem and Jean D. Salem and Lois Shaw Keating, respectively; and to authorize the Selectmen to execute and deliver deeds in behalf of the Town conveying the town's interest in the real estate to the above named owners and the signature of such Selectmen shall be conclusive evidence that such deed so executed is within the authority conferred by this vote; the expense of conveyance to be borne by the owners.

27. To take up any other business that may be properly brought before the meeting.

Given under our hands and the seal of the Town of Jaffrey this 5th day of February, 1973.

HISTORIC DISTRICT COMMISSION

JAFFREY, NEW HAMPSHIRE

Dec. 31, 1972

To the Board of Selectmen:

Three projects were put forward before the Commission for approval in 1972. One, an addition to the Monadnock Inn was not acted upon and was withdrawn by Mr. Dunham. A request by Mr. Robert Pettegrew to make alterations to a shed, converting it to a garage, was approved. The Jaffrey Center Village Improvement Society, Inc. sought approval to remove a number of trees in and around the Old Burying Ground. Their request was approved in part, with certain recommendations. The J.C.V.I.S. has indicated their acceptance of our recommendations.

A review of the boundaries of the Historic District is to be made by Dr. Charles Hamilton and Frederick Richardson.

Respectfully submitted,
